*Available only October 15-28, 2011*

Start your Tupperware business in the next two weeks and you'll have the opportunity to make more money faster! How? By paying less for your business kits when you submit qualifying sales in your first 30 days. It's as easy as holding two average\* parties in your first 30 days! Select the Deferred Payment Kit Option (either kit) during October 15-28, 2011, and you can enjoy a "Performance Bonus" consisting of \$40 CASH Back when you submit \$900 in party sales during your first 30 days in the business. This means that when the deferred payment goes through after your first 30 days, you'll only be charged \$74.99 for the Executive Business Kit or \$34.99 for the Business Kit.

Also, new Consultants who pay in full for either kit when they start their business can also enjoy this "Performance Bonus" when they submit \$900 in personal sales during their first 30 days in the business. Their \$40 CASH Back will be applied to their first monthly commission check.

\*Kit contents and prices subject to change.

\*\* Based on the national party sales average of \$450. Credit card required for payment. \$5 plus tax will be charged to your credit card when you start their business and the balance of the kit (Executive Business Kit balance of \$114.99 plus tax or Business Kit balance of \$74.99 plus tax) automatically will be charged 30 days later.

If you qualify for the Cash Back award and you selected the deferred payment option, your credit card will be charged the balance of the kit (Executive Business Kit balance of \$74.99 plus tax or Business Kit balance of \$34.99 plus tax). \$40 will be applied to the first monthly commission checks for those who paid for their kits in full and met the challenge requirements.
